

Course Registration

You can find Grace’s list of courses in the Academic Catalog here:

<https://www.grace.edu/academics/student-resources/academic-catalog/>

Some classes are only offered certain semesters and at certain times. You can check the class schedules here: <https://www.grace.edu/admissions/undergraduate/registrar/class-schedules/>

Most classes are 3 credits each, though they vary. You are required to take a minimum of 12 credits per semester.

Course offerings are subject to change. You can adjust your schedule up until a few days after you begin classes at Grace, if needed. You may request syllabi from Debora Wilhite (wilhitda@grace.edu) ahead of time.
