# English language & literatures in English 2016

Edited by Julianna Borbély, Borbála Bökös, Katalin G. Kállay,  
 Judit Nagy, Otilia Veres, Mátyás Bánhegyi  
 and Granville Pillar

The volume English Language and Literatures in English 2016 contains twenty-five studies written by Central-European scholars in the field of literature, culture and linguistics. Within these fields, EL&LE 2016 offers a colourful kaleidoscope of subject areas for any young or older scholar interested in English Studies, from the Victorian novel to literary multiculturalism, from cinematic mediation to cultural aspects of religion, from conceptual metaphors to ELT.
