

## **What is it like to teach English as an entrepreneur? (workshop)**

2024. ápr. 3. szerda, 10:00

I am Katalin Szabóné Cseperkáló, former student of Károli. I graduated from ELTE-TFK Budapest in 2001 as a teacher of English Language and History. I graduated from the Budapest School of Economics in 2004 as an EU expert. In 2020 I graduated from the Master's degree in English Language and Culture Teacher at Károli University. Since 2001 we have had 4 children and as a mother of a large family, I am a self-employed teacher, mainly in language schools.

I would like to invite you to join me in a workshop to discuss:

- what it means to be an entrepreneur
- what are the advantages and challenges of one-to-one and small group teaching
- managing client needs
- what are the opportunities for development

I hope the above topics have sparked your interest.
