

(Your name)'s Research Proposal to (teacher's name)

My planned research area: (choose from the teacher's suggested topics)		(the teacher's comments)
The topic of my research: (this is a working title, not final; you can change it later depending on your discussions with your supervisor; try to be as specific as possible)		
Why is this topic interesting for me / relevant for others?		
The questions I'm primarily interested in (list 2 or 3 questions):		
How am I planning to do my research?		
List 2-3 secondary sources available on your topic.		
What did these contain that I want to use in my research?
